# YSHIELD® GS3 | Grounding plate 80x80 mm

Standard grounding plate 80x80 mm for installation directly on top of shielding products and grounding straps.

YSHIELD® GS3

YSHIELD® GS3

Standard grounding plate 80x80 mm for installation directly on top of shielding products and grounding straps. Next to a wall socket. **Installation preferably on small surfaces (due to the small grounding surface) with shielding paint, shielding mesh. Usage only on the interior. One piece is needed per connected surface. Height when completely mounted is only 4 mm (without lid) or 6 mm (including lid).**

- Connectivity: 3 cable connections
- Scope of delivery: Aluminium plate 75x75x2 mm, plastic cover 80x80x6 mm, all necessary screws, discs, dowels, cable lugs and a screwing tool with Torx®-Bits. Cable is not included in the scope of delivery – we recommend our pre-assembled cables GL.
